

# Winemaker's Daughter

## Facility Rental

Thank you for considering Winemaker's Daughter for your special event. Below are a few items for you to consider before booking your event.

**When:** Due to the fact that we are open to the public, all private parties must be outside our regular business hours unless otherwise arranged.

**Food:** You are welcome to bring in your own food or cater your event. However, you will need to bring your own plates, cups, utensils, and napkins. We do not have fridge or freezer space, but you can bring coolers if you wish. We can provide heavy appetizers or nibbles upon request for an additional charge.

**Drinks:** Drinks of any kind are not allowed to be carried in. We will provide lemon water complimentary. There are a few ways you can choose to provide drinks.

1. Purchase a set amount of wine, beer, non-alcoholic drinks and when that is consumed, you can choose to purchase more at that time or guests can purchase additional drinks on their own.
2. Provide your guests with a drink token where they can choose their own drink. They turn it in to the bar and we would keep a tab of the drinks for you.
3. We can provide a wine punch/spritzer. The cost is \$50 and serves roughly 20 people depending upon how much they drink or fill their glasses.
4. We can provide a carafe of lemonade at a cost of \$15
5. Guests purchase all their own beverages. Be sure to note this on the invitation.

**Cost:** Sun-Tues: \$250 Wed-Sat \$350 All rentals are for 4 hours, which includes set up and take down time. (ex: advertise party from 11-1 with an hour for set up and take down) Each additional hour is \$75/hour beyond the 4 hours. A 20% service charge is added to your total bill.

**Deposit:** A \$100 deposit is required to hold your date. The remainder is payable on the date of your event.

**Decorations:** Since you have already inquired about our venue, you already know that it is beautifully decorated! Due to this, we do not allow any tape, tacks, or pins to be put on the walls. We do have a gallery track you can use to hang any pictures in frames or canvases. You are welcome to decorate the tables as well.

**What we provide:** We will set up tables with linens for the food as well as a gift table. Seating can be adjusted, but please note that we have a combination of both lounge seating and tables. This should be considered when planning your meal. Heavy appetizers or sandwiches are the best.
